

# COVID LENS

**---- User Manual ---**

## Overview

During COVID Lens development, a main focus was to provide a user friendly interface such that any inexperienced user would be able to navigate the application. To clarify any misunderstandings or possible discrepancies, this document provides a detailed operational description of the essential functions and features of the COVID Lens application.

## Creating a COVID Lens Account:

### Sign up

- On the Login Screen, user will click “Sign up” button
- User will enter their first and last name in the “Name” field
- User will enter their email address in the “Email” field
- User will create a password in the “Password” field
- User will re-enter their created password in the “Re-enter password” field
- User will click “Sign up” button to create their account

## Signing Into COVID Lens:

### With Email & Password (non-Google account)

- User will have previously signed up
- User will enter their email address in the “Email” field
- User will enter their password in the “Password” field
- User will click “Sign in” button to sign into the application

### With An Existing Google Account (UNCG/Google account)

- User will click “Sign in with Google” button
- User will click “Continue”
- User will follow the on-screen instructions to sign in using their UNCG iSpartan account credentials

## Interactive COVID-19 Cases Map:

- User will click on any virus icon displayed on the map
- Upon clicking on the icon, the Residence Hall and number of confirmed COVID-19 cases will be displayed

## COVID-19 Related Resources:

- User will click on the provided links which will redirect to COVID-19-related resources
- To find nearby COVID-19 testing locations, simply click “Nearby Testing Locations”

## **Submitting a Report:**

### Self-Report Form

- User will click on the “University Affiliation” drop menu and select their corresponding affiliation
- User will enter their phone number in the “Contact Phone Number” field
- User will click on the “Residence Hall” drop down menu and select their residence hall
- User will select the date they were last on campus from the calendar
- User will click the “Submit” button to enter their report with all required fields filled
- User will not be allowed to submit another form within two weeks of submission

## **Changing Preferences & Settings:**

### User Settings

- User will click “Allow Notifications” to get notification for a report update
- User will click “Report Status” to display their self-report status
- User will click “Sign out” to log out from the COVID Lens application
